Graduates

Funding organisation:

OeAD-GmbH/ICM on behalf of and financed by the Federal Ministry of Education, Science and Research (BMBWF)

Duration:

4 to 10 months

Grant benefit paid:

Supplementary grant, own funds are required

- 1) Monthly grant rate EUR 1,050
- 2) Accommodation, insurance

a) It is possible for OeAD scholarship holders to book accommodation (dormitory or apartment) with the OeAD Housing office. The monthly costs are:

- monthly rent: roughly EUR 250 to 600 (depending on the amenities)
- monthly administrative fee: EUR 18

b) OeAD scholarship holders need to have health insurance that is accepted by the Austrian authorities for the duration of their stay in Austria. The OeAD can help with taking out such insurance. The monthly costs can vary, at the moment you should calculate EUR 55 to 200 (depending on your age, scholarship category and state of health).

Scholarship holders have to pay the costs for accommodation and insurance themselves.

c) Applicants from non-EU/EEA countries who are planning a research stay of more than 6 months: If your monthly costs for accommodation in Austria exceed EUR 300, you may need to provide proof of additional funds to the Austrian residence authority when you apply for your residence permit. This figure may vary depending on your individual costs for health insurance and other liabilities.

3) Grant holders do not have to pay tuition fees in Austria. They might have to hand in a request at the rector's office of their respective host university and demonstrate that they are studying or doing research in the context of transnational EU, national or university mobility programs..

4) Scholarship holders from non-European developing countries will also receive a travel costs subsidy of max. EUR 1,000.

FAQs: Please check our list of frequently asked questions regarding the application process and eligibility for this grant.

The scholarship will only be granted for study projects that can be completed within the scholarship period (max. 10 months).

Applicants have to be accepted as **exchange scholars** or **free movers** from an Austrian University of Applied Sciences (Fachhochschule). The confirmation of acceptance as an exchange student or free mover has to be enclosed with the application. (Therefore please contact the University of Applied Sciences of your choice in time.)

For more information regarding study programmes at the Austrian Universities of Applied Sciences (Fachhochschulen) please access <http://www.fachhochschulen.ac.at/>. The topics of the study programmes can roughly be summarized as follows: "Economics/Business", "Tourism", "Economics and Technology", "Technology/Biotechnology", "Media and Design" as well as "Health and Social Matters".

The following documents have to be uploaded with the online application:

- Two letters of recommendation by university lecturers. For these letters of recommendation no specific form is required; they must contain the letterhead, date and signature of the person recommending the applicant and the stamp of the university / department and must not be older than six months at the time of application.
- Confirmation of the home university that the exams passed in Austria will be recognized by the home university (e.g. a learning agreement).
- Confirmation of acceptance as an exchange student or free mover from the University of Applied Sciences (Fachhochschule).
- Scan of your passport (page with the name and photo).
- Scan of a current Transcript of Records.

Proof of the successful course of your studies in Austria

Scholarship holders have to pass exams corresponding to at least 15 ECTS credits per semester. If the scholarship has been awarded for a period that is longer than one semester, the scholarship will only continue if at least 15 ECTS credits have been gained in the first semester. Proof of this has to be provided by March 15th, 2020. If less than 15 ECTS credits are gained, the scholarships automatically ends at the end of March 2020.

General Information

- Grants are only awarded for studies at universities of applied sciences (Fachhochschulen) where the majority of the costs for the study place is borne by the Federal Ministry of Education, Science and Research (BMBWF).
- The selection process for all grants is competitive, i.e. there is no legal claim to a grant even if all application requirements are fulfilled. The number of grants that will be awarded during one call depends on the quota and/or the available budget. Applicants may apply for several grants at the same time.
- Grant holders must be present at their place of study in Austria to study or conduct their research project.
- Once an application has been rejected, it will not be considered any further within that call. However, it is possible to re-apply for this grant with a revised application in the future.

Data Protection:

Applicants agree that the personal data provided within their application will be processed diligently on the legal basis of

- General Data Protection Regulation (EU)2016/679 and Austrian Data Protection regulations, in particular:

- §2g Research Organisation Act (Forschungsorganisationsgesetz - FOG), Federal Law Gazette No. 341/1981, and

- OeAD Act (OeAD-Gesetz), Federal Law Gazette I No. 99/2008, all in their current version, for the purpose of handling their application and compiling statistics. The OeAD is responsible for processing the applicant's data.

More information is available at <https://oead.at/en/privacy-policy/>

Selection procedure:

Incomplete applications and applications not complying with the application criteria will not be accepted for the further selection process.

The selection process consists of the following stages:

1. Examination of the formal requirements
2. Examination of the application's general plausibility
3. Assessment and evaluation of the application by experts
4. Final decision by the BMBWF
